Sunrise Pizza is amazing!!! They were busy today, but we didn't have to wait too long. Our server, Kara, was so friendly, always had a smile on her face! She was so good at her job. Thank you. Sunrise for the best pizza on the row and for creating the perfect Friday night Hangout!?? [read more](#). What [User](#) doesn't like about Sunrise Bakery And Pizzeria:

(Works on the owner's comments. The pizzas were very good, but do not plan to add mushrooms (usually .50 to a pink special [pizza](#), it costs you an extra 2.75 instead. Apparently, if you change a special pizza, it will build its own (BYO. Instead of a 12.00 special pizza, it is 14.75 BYO. That's crazy! If you continue this practice, at least inform the customer when they place their order. My point is... inform You the customer when they order. Yeah, I'm sure I'll eat back there, the pizzas WERE good the dining area was nice. I was simply not impressed by the customer service how they processed the order. I'll send you the details why I decided to publish a review. Note: knives are available Sturdier Forks would be nice. With the large range of coffee and tea specialties, a visit to Sunrise Bakery And Pizzeria becomes even more attractive, Additionally, easy digestible Mediterranean menus are on the menu. Furthermore, you'll find tasty American dishes, like for instance [burgers and grilled meat](#) on the menu, You shouldn't miss the opportunity to try the crispy and crunchy pizza, baked fresh in an traditional manner.
