I had taken out and the food was delicious? The waiting staff was up to ensure my full satisfaction with my wishes and followed with me to determine whether there was something I wanted before I left. The Omelet was on site, as well as the pancakes and breakfast meat. In addition, the upgrading of the military community goes far. [read more](#). What [User](#) doesn't like about Mimi's Good Food:

Nice place. To me this place is another version of waffle house. I got the Mimi 3 egg breakfast and a strawberry waffle. I didn't like the strawberry pancake that much as I thought it would come with fresh strawberries and powdered sugar but it came with imitation strawberries and whip cream. I guess I should have asked being it was my first time there. Everything is cooked to order so there is a little wait time. The... [read more](#).
