Most times are the same. This time it was a coffee for me and a donut for the granddaughter. The drive-up window was fast and friendly, so I told them to keep the change. They should have a system for that. [read more.](#)

What [User](#) doesn't like about Tim Hortons:

The food was good. But the oatmeal drink they have was terrible. It had a strong coffee flavor. Practically black coffee with cinnamon. If people like that then definitely get it but if your looking for something sweeter get something else. [read more.](#) For breakfast, you can enjoy a *appetizing brunch* at Tim Hortons, as much as you want, The typical Canadian dishes are well received by the customers of the establishment. Of course, we must not forget the extensive selection of coffee and tea specialties in this restaurant.
