What [User](#) likes about McDonald's: We're here on April 11th. They were so nice to take our order in the window and give us our food. Thanks to everyone who worked. I hope you don't get any problems for the review. [read more](#). The restaurant offers free WLAN for its guests, And into the accessible rooms also come visitors with wheelchairs or physical limitations. If the weather are right, you can also be served outside. What [Ben Young](#) doesn't like about McDonald's: It is a McDonald 's, for Pete 's sake. You should already have certain expectations. Food quality is above average, portions are forever shrinking and the prices starting to get out-of-hand in the affordability section. Their in-house touch screen ordering is a real pain as it doesn 't CLEARLY let you go to your cart when you finish ordering. The only comfort is that I can get the same taste, quality and value(? whet... [read more](#).
