The topicality of the online order was extreme. If there is the possibility to notify a customer when making and cooking their pizza, then it should have a more accurate measurement of actually occurring. The order was also forgotten. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [Bill Amick](#) doesn't like about Pizza Hut:

I was supposed to be picking up an order for the family at 6:00PM and got there at 6:02PM. When I pulled up I was told that the order was not ready and to pull back through in 5 minutes. This is not the first time that I have had to wait on an order but this is the first time that I was told to pull out and come back in 5 minutes. Normally when the order is running late I am asked to pull into a parking space close t... [read more](#).
