Food was good, and the service was friendly and fast. They make din-in (within and covered outdoors). The menu was simple and quite expensive. The sections were also quite large. We're definitely coming back. They saw that they offered take-out and delivery via Express waiters. [read more](#). As a visitor, you can use the WiFi of the establishment free of charge. What [User](#) doesn't like about Mohala's Bayfront Fish And Chips, Llc:

Place seems to have changed the recipes. Super salty fish batter. I could hardly eat 2 along with undercooked fries. Ono was chewy like squid. Even the dill dip has changed. Very thick and sticky. Sad!!! Mo's Used to be one of my absolute favorites for fish n chips. Sorry! Hope management looks into making some changes. [read more](#).
