This is a business. The only thing I don't like is that some of the things are very expensive and some of the things they wear like Amys soup and Amys Mac and cheese can be found at Walmart at a cheaper price. So if you have the Walmart app, you might want to check if they don't have it first and if they see who has the better deal. Updated by previous review on 2021-12-12 read more. What User doesn't like about Whole Foods Market: You really have to watch the food here. So many dishes with sugar and canola oil (not a natural oil). There are many vegan and vegetarian items to choose, and it can be expensive. They also usually use rapeseed oil in their bakery. Woodruff Road is a very busy road all the time, so you need to plan when you go there. read more. In Whole Foods Market in Greenville, they prepare delicious pizza using a traditional method, served fresh, there are also delectable vegetarian dishes in the menu.
