First time there, and the gentleman was nice even though we had no clue what we wanted. I got what he recommended, and my wife picked one from the menu. My drink was awesome, and hers was fantastic, especially since they used the image on her shirt to decorate the foam. Parking: A lot of space to park. [read more.](#)

The restaurant offers complimentary WLAN for its guests, Depending on the weather, you can also sit outside and eat and drink. The rooms on site are accessible, and therefore no problem for customers with wheelchairs or physical limitations. What [Hailey Light](#) doesn't like about Witch's Brew:

Great shop, great people, delicious drinks. Sadly they've been a bit reliably unreliable as a daily coffee place as they run out of everything on a regular basis. If they ever figure out how to manage their inventory/ordering so they don't run out of half their menu for a week out of every month, I'd make it 6 stars without a second thought. One also cooks **South American** here with fresh fish, meat, as well as corn and potatoes, and you have the opportunity to try fine American menus like [Burger](#) or [Barbecue](#).
