What [Paige Marquie](#) likes about Royal 38:

Royal38 is such a blast, especially during the holidays! This place is always decked out, has awesome themed drinks to go with the Miracle Pop Up, AND the food is delicious. Everyone comes for the cocktails, but I stay for the spare ribs: highly recommend, they fall right off the bone! And the salad I had was full of strawberries and fresh greens. Glad to know their food menu stays well into the new year. [read more](#). The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and have something. What [Mercedes H](#) doesn't like about Royal 38:

Pretty that we can all this way only to find that they were closed. No signage indicating a change in hours or closure due to an event. We were allowed to make reservations, which is horrible on their part. Called ahead and nothing was recorded on the outgoing message indicating that they were closed due to an emergency. We won't return. [read more](#). A visit to Royal 38 becomes even more rewarding due to the comprehensive range of *coffee and tea specialties*, for breakfast they serve a extensive breakfast here. Here they also cook South American fresh fish, meat, as well as beans and rice, This restaurant offers a **catering service** that allows visitors to enjoy the menus at home or at the event.
