[The Card](#) of Nektar Juice from Denver includes about 17 different menus and drinks. On average, you pay for a dish / drink about \$11.3. What [Heather Harrington](#) likes about Nektar Juice:

Edit I have been here a few times now and I definitely would recommend their BOWLS juices over their smoothies. Their Orange Cruch Banana Berry Blast are my 2 favorite go to juices! I got their PB Mocha last time and I couldn't even drink it. It was just too chalky tasting and not super flavorful. [read more](#). What [Monroe Ray](#) doesn't like about Nektar Juice:

This place is horrible every time I have come in they do not greet you and say hello I will be right with you. There will be 4 people behind the counter and no one will address you. They will just stay looking down and making drinks or they will even look at you and not say nothing. They will have you just stand there for like 5 min. But as soon as a Caucasian walks in then they come right up to the desk and have an... [read more](#).
