I had to highlight this place while I had my face on her super delicious Guava bakery. [read more](#). The restaurant offers complimentary WLAN for its visitors. What [User](#) doesn't like about El Cubano Sandwich Shop:

Just ordered here for lunch. Service was good, fast, and restaurant smelled really good so I was expecting my food to be delicious but it was not. Servicing size is small, burnt my manduros, flavor from food lacking overall. Not satisfied. I would not recommend the pork platter. I will try a sandwich next time. [read more](#).
