What [User](#) likes about Double Take Grill:

I wanted to celebrate Happy Hour my birthday. My friends and I had a great time. Food and drinks were great. The service took care of us. And the atmosphere was lit! We will definitely try again, more things on the menu and for brunch. [read more](#). What [Abby Humphrey](#) doesn't like about Double Take Grill:

Drinks, apps and entrees. Interesting atmosphere. Got patted down by security prior to entering. Bartender advised us to sit where ever. After taking a seat, it took over 10+ minutes to receive menus and give a drink order. Slow service unfortunately but otherwise good food and tasty drinks. [read more](#). During meals, a refreshing drink is essential. In this gastropub, you will find not only exquisite menus, but also a large and comprehensive assortment of good beers and other alcoholic drinks that compliment the food, and you can look forward to the scrumptious classic seafood cuisine. In addition, there are tasty American meals, such as burgers and grilled meat, The meat is freshly **cooked** here on an open flame.
