My brother brought me here yesterday. He's normal, but I was out of town. Best [sushi](#) in this part of the city.

Peter (Koch) is amazing! Food is from this world! Stay open until 12:30. I'll be back! [read more](#). What [User](#) doesn't like about Kanpai:

Change my review. After they probably came 5 years ago, they changed the chef and the quality has fallen. The [sushi](#) is still good, but this was a walk for a nice lunch, but the ramen is out, they even changed the Mayo they use in the spicy tuna so that everything tastes and the service had gone downhill after the turnover they had. It is a real shame because this was the rare place before to consistently get good foo... [read more](#). Kanpai from Los Angeles creates for you **delicious sushi** (e.g., **Nigiri and Inside-Out**), in addition to numerous other variations, always fresh with ingredients like fish, vegetables and meat, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive assortment of both local and international beers, which are definitely worth a try. *The preparation of the dishes is done authentically Asian*, and a lot of freshly harvested vegetables, fish and meat are used to prepare healthy Japanese meals.
