Not sure how long they have been there, but they need to change nothing. Even the chips and salsa are great! [read more](#). The diner and its rooms are wheelchair accessible and thus reachable with a wheelchair or physiological limitations. What [Kacy Hayes](#) doesn't like about Chuchin's Mexican:

Food was great! I would recommend a to-go order anytime! As far as in house dining the service was terrible. Wait staff was sitting around and extremely slow. Don't like to mention but also smelled horrid!! Butter/Honey containers were full of spilled melted butter I didn't trust using what was left. Food is great but the inexperienced wait staff ruined it. To-go only!!! [read more](#).
