100% my favorite bakery. I'll stop immediately to get the Bismarks, and I have to say BEST in Rhode Island. My family loves this place, the locals love this place. The prices are great, people are even better and the treats are worth the trip. I know this place is classified as 4.6, but it should definitely be a 6!. As a visitor, you can use the WiFi of the place free of charge. The restaurant also offers its visitors a catering service, For a snack in between, the tasty **sandwiches**, healthy salads, and other snacks are suitable. If you decide to come for breakfast, a **hearty brunch** is ready for you, Furthermore, the magical treats of this restaurant sparkle not only on children's plates and in children's eyes.
