Lovers of Korean cuisine are right at home here: The range includes Kimchi, a variety of diverse variations of Bap, alongside a multitude of delightful Jjigae that please the taste buds, A **catering service** offered by the restaurant allows you to eat the dishes on-site or at the festival. Most often, the burgers of this place, which are among the highlights, are offered along with filling side dishes like fries, leaf and cabbage salads or wedges, Besides, the creative blend of different dishes with new and partially adventurous ingredients is appreciated by the visitors - a beautiful case of Asian Fusion.
