Absolutely amazing overall. The food was delicious and so fresh, the servers were kind and attentive and they have a great atmosphere. They even had a table up for the fallen heroes. I highly recommend stopping in!

The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physical limitations, and there is no-charge WLAN. What [Richard Marto](#) doesn't like about Will-onita's Family:

Waited 25 minutes for the waiter to come back and take our order. And it wasn't even busy. 2 other tables than us in the whole place. On top of that we waited about 15 minutes up front for somebody to seat us. Meanwhile there were waiters wrapping silverware instead of waiting on the customer. Very poor service. For visitors of the establishment, the catering service is also available, and you can enjoy here tasty American meals like Burger or Barbecue. You can just get one of the fine sandwiches, a healthy salad or another snack, if you're not that hungry, here they serve a **appetizing brunch** in the morning.
