What [Marty VanDyke](#) likes about The Original Famous Philly's Cheesesteak Grill:

Came in during my lunch break and was able to order, get my food and eat in less than 20 minutes! The bread was really soft! I got the regular size mushroom and onion cheesesteak. The onions were chopped, mushrooms were fresh and the cheese was mixed in perfectly, not just thrown on top afterwards. Ill definitely be back! [read more](#). What [User](#) doesn't like about The Original Famous Philly's Cheesesteak Grill:

\$14 for a small sub. Horrible counter service. Asked questions and got one word answers. They did refund me. Otherwise no stars. Philly cheesesteak was the worst ive ever tasted. In case you're craving some **fiery South American cuisine**, you're in the right place: exquisite dishes, prepared with fish, seafood, and meat, but also corn, beans, and potatoes are on the menu, For a snack, you can also have the fine sandwiches, healthy salads and other snacks. In addition, you can order fresh prepared barbecue, and you can indulge in scrumptious American dishes like Burger or Barbecue.
