What [User](#) likes about Village Baker:

10 stars for The Village Baker ... the baker with a heart! I needed the perfect 'thank-you' gift for the amazing medical caregivers at Flag Medical Center, so grateful that I chose this wonderful husband-wife team to prepare a delicious and beautiful presentation of their amazing baked goods. Wholeheartedly recommend them for personal treats or a very special way to show appreciation. Great people, genuine hearts, excellent menu of goods. The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations. What [User](#) doesn't like about Village Baker:

Super dirty device, bug catcher on the floor, 1 inch thick of dust on the ventilators directly above the baking area. Scone was hard, seemed old and had hair for extra taste. [read more.](#)
