I can't say enough good things about the owner!! She went above and beyond to make sure our food was prepared right! I'm vegan and appreciate that all vegan items have their own grill! We love the coffee as well!

Absolutely recommend Kava Diem!!! [read more](#). In pleasant weather you can even be served in the outdoor area, and there is complimentary WLAN. What [Ken Rose](#) doesn't like about Kava Diem:

This is a beautiful coffee spot along the river with a fireplace inside that has a roaring fire in the winter. They used to have a lot of gluten free pastries from Brown Butter bakery and that has sadly been discontinued now.

Hopefully they will bring back those pastries as they were absolutely delicious and a wonderful addition to their coffee! [read more](#). The large diversity of coffee and tea specialties makes a visit to Kava Diem even more worthwhile, and you can enjoy here tasty American menus like [Burger](#) or [Barbecue](#). Here they also grill *South American* fresh seafood, meat, as well as beans and potatoes, For a snack, the yummy sandwiches, healthy

salads and other snacks are suitable.
