Hubby and I went for lunch and we ordered the ? mussels. He had the garlic butter season and I the Rocking crab season. He fell in love with that sauce? he bought some to take home for later!! Parking: There is parking all around the building with covered drop off upfront in case of rain. [read more](#). What [Tyshawn Jenkins](#) doesn't like about Rocking Crab Seafood And:

Nice looking place catfish was pretty greasy and not that good. They charge extra for lemons. I didn't try anything else but my sister said her seafood boil was good. [read more](#). The Rocking Crab Seafood And from St.

Petersburg provides various delicious seafood dishes, In addition, the cocktail menu that is offered in this established eatery is impressive. It offers a wide variety of beers from the region and the whole world. There are also scrumptious American dishes, for example, **burgers and grilled meat**, There are also delicious *South American* meals in the menu.
