What [User](#) likes about Pollo Campero: Few fried chicken places give me great surprises. Fortunately, this is one of them. I think that's the best roasted chicken I've ever eaten in my life. fresh, juicy and crispy. KFC and others have no idea!!! I can say that there is no other taste. I highly recommend it. This location is very clean and the staff is very friendly. [read more](#). What [Rod Hudson](#) doesn't like about Pollo Campero:

104 degrees weather and their A/C is broken. I go to get ice, and there is no ice. I asked for juice and there is nothing. The lady (I'm guessing manager on duty) was rude when I asked for more juice, as if it's not her job to refill the ice and juices. This place shouldn't even have its doors opened at 104 degrees weather and not having A/C. Health department need tointervene. The fresh and succulent **juices** on the drinks menu perfectly complement the menus of the establishment, and you have the opportunity to try fine American meals like [Burger](#) or [Barbecue](#). One also grills South American here with fresh seafood, meat, as well as corn and rice, For a snack in between, the fine *sandwiches*, healthy salads, and other snacks are suitable.
