The food is good. The desserts are amazing. Coffee is delicious! The service and the atmosphere are easy to me. If you sit on food and want to stand on the shield, as directed for seating, we always had to approach the checkout to tell them that we are waiting to be seated as no one acknowledges you. But I take the strange mood for the great food, dessert and coffee every day. [read more](#). What [User](#) doesn't like about Carrara's:

Messenger to dinat and began at 6:05 , put at 6:20 pm, it is 7:10 and have not yet our food. Zero water refills all the time. I hope our food is okay. I just got my lemon chicken piccata zero lemon flavor. Looks like chicken in chicken broth. It's terrible, the cheesecake factory makes a better chicken piccata. I don't recommend this place.

To get 1 hour and 15 minutes to eat is really slow. [read more](#). A visit to Carrara's is particularly valuable due to the extensive range of **coffee and tea specialties**, and you can expect typical Italian cuisine with classics like [pizza](#) and pasta. If you'd like something sweet for dessert, Carrara's does not disappoint with its good selection of desserts.
