This location has always been pretty quick. When there is a rush of people it gets a little slow, but that's to be expected. Their mobile order section has always been quick for me as well as their dine in ordering line. Love this place! [read more](#). What [Michelle C](#) doesn't like about Chipotle [Mexican Grill](#):

The food is usually good and a healthier choice but the service has much to be desired and the price is more than what it should be. I paid 15 dollars for a salad with guacamole and a drink. I tried to tell them what I wanted on my salad and they started sloping things on it before I had a chance to say I didn't want sour cream on the salad. I have also waited 40 mins to get an online order. [read more](#). At the local, the fresh and succulent **juices** on the drinks menu wonderfully complement the menus, Furthermore, the guests of the restaurant enjoy the large selection of the various coffee and tea specialities that the restaurant has available. The visitors also appreciate the **versatile, fine Mexican cuisine**, whose traditional dishes are prepared with corn, beans and spicy chilies.
