The *menu of Ben Jerry's* from Los Angeles includes 18 meals. On average, meals or drinks on [the card](#) cost about \$9.9. The categories can be viewed on the menu below. What [barbara](#) likes about Ben Jerry's: Really delicious ice cream one of the best locations. We had a scoop of "marshmallow sky" and another one of "the tonight dough". Both we're excellent and super creamy. The girl who worked there was very friendly and patient although it was fairly late. I very much hope that Ben Jerry's will open ice cream shops in Munich soon! [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities. An additional service offered by the restaurant is the **catering service** for customers, Likewise, the guests of the restaurant prefer the comprehensive selection of various **coffee and tea specialities** that the establishment provides.
