[Todd Hartman](#) likes about McDonald's:

I think the owner owns this one and the one in Ontario. I recommend this one. The one in Ontario is just straight garbage. The staff is obnoxious, and if you're thinking of getting through it at a normal pace, you're wrong... But this one is always nice and quick. The place also offers the possibility to sit outside and be served in beautiful weather, And into the accessible rooms also come customers with wheelchairs or physical disabilities. With the large range of coffee and tea specialties, a visit to McDonald's becomes even more attractive, here they serve a **appetizing brunch** in the morning. As a rule, most dishes are prepared in a short time for you and served, The delicious *sandwiches*, small salads and other snacks are also suitable for a snack.
