Ridiculously delicious. All the traditional flavors plus so many fun and different flavors. The portions are tiny but I think for sugary treats portions are just right. The strawberry is outta this world. Also love the mint chip as well as milk chocolate. The decor inside is pretty plain. But who cares when the gelato is this amazing. [read more](#). What

[Deepak Reddy Y](#) doesn't like about Deluca Gelato:

Gelato was good but the guy serving the ice cream was very rude It was our first time to this place and wanted to taste few flavors before deciding on something. He wasn't in a mood to give any samples and was clearly showing the frustration when asked for one If they aren't doing samples, they should have told the same and I would have left from there Finally ended up taking whatever we have tasted as we didn't know...
