What [Ashley Cupryk](#) doesn't like about Bird Bottle:

I was so excited for the pierogi but alas, it was not a traditional pierogi which I didn't realize. It was okay but far too greasy and lacked the doughy texture of a proper pierogi. The service was okay, they were fairly busy but there were times we waited far too long unfortunately. It's a super cute spot though and if you like cheap (in cost) martinis this may be perfect for you! I don't think I'll be back. [read more](#).
