I recently went to eat at this cute little Asian restaurant that specialized in three oriental cuisines. When you walk in there's nothing fancy about it but you can feel the comfort of home. The Asian decor and beautiful orchids gives the restaurant a traditional/vintage ambiance. With only about 10 tables and a [sushi](#) bar I felt very cozy.

The menu is more like a book with so many choices for Chinese, Thai, and Japan... [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical disabilities, and there is complimentary WiFi. During meals, a refreshing drink is essential. In this [gastropub](#), you will find not only tasty meals, but also a large and comprehensive diversity of good beers and other alcoholic drinks that compliment the food, You can also unwind at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks. If you're the type for more exotic menus, then try the **Thai menus**, In addition, many guests look forward to enjoying *traditional Vietnamese menus* with the perfect hint of Southeast Asian flavor during a stop at the Kam Wow.
