Authentic Mexican food that everyone should try before if they only eat Tex-Mex. Their green salsa is the best. I love their huaraches, especially their nopales one. The enchiladas, burritos, and quesadillas are also recommended! [read more](#). What [Semi's Sanctuary](#) doesn't like about Taquerias Arandinas:

A really low key spot perfect for breakfast, brunch and lunch. also they don't start serving chips and salsa until lunch fyi. But otherwise than that a great spot recommended the agua frescas [read more](#). At Taquerias Arandinas from Austin it's possible to *enjoy delicious vegetarian meals*, that were made without any animal meat or fish,
