We were on a family vacation in the Pacific Northwest and my oldest son had to try coffee in Portland. The coffee was really good. The staff was friendly, even to us obvious out-of-towners. We also ordered some delicious pastries. It was a nice place to stop on our way to our next destination. [read more](#). The top 1/3 of my 16 ounce cup was all foam, and I understand that lattes have foam, but they should have used more milk for a \$6.75 16oz drink. The latte was good taste wise, I was just a little disappointed in quantity and don't view it as worth it. Atmosphere inside was nice and cozy. Probably won't come back though. [read more](#).
