What [Victoria M](#) likes about Rocky Mountain Chocolate Factory:

Best candy flavored apples ever. The variety is endless with new combinations every time I come in! The apples are always tangy, fresh, and enough to share! They also have other sweet treats, and even some for your dogs if you would like! I'm big on service and although quick, the interactions with the staff are lackluster, hence the one missing star! What [Michele Edwards](#) doesn't like about Rocky Mountain Chocolate Factory: Employees were very polite, but quality less than desired. One of the apples had rotten spots and pretzels were completely stale!!! Cherries ok but they were maraschino cherries not fresh! We have been spoiled from some good chocolate companies.. disappointed with this trip! [read more](#). The extensive range of **coffee and tea specialties** makes a visit to Rocky Mountain Chocolate Factory even more worthwhile.
