I moved here from Tacoma pre-covid late 2019, my first time going to dutch was all I needed now I'm hooked, I either get a blended white chocolate mocha or a small hot with a granola bar, the perfect fast breakfast especially on a slow Saturday morning [read more](#). What [vagiz aglamasov](#) doesn't like about Dutch Bros Coffee:

11/23 at about 7pm, I decided to order from this place. There were 2 worker guys there, I ordered 2 latte coffees, medium and small (for me and a colleague). I took the order and when I arrived at work, I bitterly found myself with plain black coffee, my colleague also told me that he also had just black coffee. A big disappointment due to the carelessness of the employees of this place. At Dutch Bros Coffee in Portland, you can enjoy savory German dishes along with tasty side dishes like **balls** and salads, You'll also find tasty bites, cake, small snacks and chilled refreshments and hot drinks here. If you decide to come for breakfast, you are offered a *hearty brunch*, Also, the customers of the establishment love the large selection of differing coffee and tea specialities that the establishment has to offer.
