I ate so fast I almost forgot to take pictures. So portions sizes are worth the price. I got Dibi Khar grilled lamb w/Onion Dijon sauce with Jollof rice, veggies, carrots cabbage, yuca) and plantain. The lamb was so tender and everything was flavorful and spiced perfectly. The Egusi was the best I ever had. The service was polite and fast. Definitely will be coming back. [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations. What **BMR** doesn't like about Bamba Cuisine:

I only gave it one star because my first time going the egusi was AMAZING... so much so I went back a few days later and it tasted disgusting and old... I will never go back after that. The atmosphere is outdated and has no air so almost nobody eats inside. I think the issue was the cook during the week. Yuk!Food: 1/5 [read more](#). The *catering service* is also provided by the restaurant for its guests.
