Had a wedding shower there this past weekend. The room was great! food and service were excellent even some of the more difficult people in attendance loved the place. Angela was a huge help in pulling our event together. The waitstaff was very friendly and accommodating. Highly recommend Frankie 's! [read more](#). What

[Debbie McShane](#) doesn't like about Frankie's:

Couldn't be happier with our choice to get food catered for my daughter's graduation. Everyone, including the smaller kids raved about the food. I wanted to satisfy my Vegan daughter with at least a couple items she could eat and they accommodated us very well. The rest was meatballs, italian sausage, chicken limone wow! So glad we have leftovers that we could enjoy. Keep up the good work!! [read more](#).
