What [Steve Bronder](#) likes about Whitmans:

It has a very 2010s hipster vibe and I'm into it. Probably one of the few places I've seen with a peanut butter burger on the menu (it's very good) I def recommend this to anyone looking for a burger joint in the area. Be careful of the spicy burger because it is well and truly very very spicy!! [read more](#). Should you wish to sample tasty **American meals like burgers or barbecue**, then Whitmans in New York City is the ideal place for you, You can also discover scrumptious South American menus on the menu. The **burgers of this place** are among the highlights and are usually served with side dishes such as chips, leaf and cabbage salads or wedges.
