The restaurant from Scottsdale offers **17** different **dishes and drinks** on [the menu](#) at an average \$7.0. What [eric aultman](#) likes about Rack Scottsdale:
 Had a great time playing pool. Pizza was good. Atmosphere was fantastic. Really had a great time. It was a little loud however, as we end it up right on top of the DJ. [read more](#). In pleasant weather you can even be served in the outdoor area, and there is no-charge WLAN. What [Ang Price](#) doesn't like about Rack Scottsdale:
 This rating is based solely on it being a pool hall. It's more of a bar with small pool tables crammed together, so that was my main disappointment. The pickings are slim in Scottsdale so at least they're offering pool! They could at the least get new balls that aren't chipped. The vibe works if you're looking to chill and don't mind spending \$12 for one drink, then this is your kinda place! [read more](#). During meals, a refreshing drink is essential. In this *gastropub*, you will find not only exquisite menus, but also a large and comprehensive variety of good beers and other alcoholic drinks that compliment the food, Don't miss the chance to enjoy the delicious pizza, prepared straight out from the oven in an traditional way. Surely, it's also a nice event to feel like in the Wild West once, to drink and eat like the cowboys or even the bandits with a drink or two paired with onion rings and a nice tasty burger, At the bar, you can relax with a [cool beer](#) or other alcoholic and non-alcoholic drinks.
