Sugami Hibachi has been my go to for a few years now and will be for as long as they are open and I live in Denver. Everything is good but the Chicken and Steak Hibachi is great! The meat is always perfectly cooked and the flavor is always on point. Even when delivered its awesome and reheats well too. 10/5 if I could. [read more](#).

The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, and there is complimentary WLAN. What [User](#) doesn't like about Sugami Hibachi Express: Disappointed. Bland steak and shrimp with watered down hibachi sauce, watered down sweet and sour sauce. The HS soup was good. Soggy "orange chicken" if that's what we actually got, as in nothing about this tasted like citrus. Would not recommend to anyone I wanted to keep as a friend. [read more](#).
