[The Menu](#) of Starbucks from St. Petersburg includes about 17 different dishes and drinks. On average, you pay for a dish / drink about \$7.1. What [Alex Divinsky](#) likes about Starbucks:

One of the best Starbucks around! Great layout with lots of space, awesome baristas, and great seating with lots of outlets. As always, the coffee and espressos are on point! I'm a huge fan of the iced caramel macchiato and the nitro brew coffee. They never mess them up! [read more](#). What [AC](#) doesn't like about Starbucks:

I didn't realize Starbucks hired impressionists to make my drink. Starbucks promoting Picasso now? What's next? All jokes aside... Other than this morning's awful interaction with the two new, young (blonde and brunette) female baristas, this location is typically consistent and welcoming. Definitely willing to drive an extra 15 minutes whenever those girls are on shift. [read more](#). If you're desiring some spicy South American cuisine, you've come to the right place: delightful meals, roasted with fish, seafood, and meat, though **corn, beans, and potatoes** are also in the menu, The customers of the establishment also appreciate the comprehensive selection of differing coffee and tea specialities that the restaurant has to offer. Even if you're not so famished, you can treat yourself to one of the fine sandwiches, a small salad or another snack, and you can try delicious American meals like **Burger or Barbecue**.
