What [Bryan Vergne](#) doesn't like about The Creekside Grille:

I've eaten here several times, and it always felt like something was off. Either, the food, service or atmosphere. This outing it was the food and we had to send it back. The service was fantastic and if it wasn't for her, we wouldn't have tried other menu items. I wouldn't say this place is a destination, but try you'd have to experience it to understand. Cheers.
