What [John Jaschinski](#) doesn't like about Castiron Grill: Potato salad and rye bread were great, service excellent. Perch seemed to be pre-breaded packaged frozen and reheated. Walleye was overcooked, could have been rewarmed, skin on. Both were very fishy tasting. Drinks were not worth the money. [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious menus from the menu but also a comprehensive and particularly good assortment of **good beers and other alcoholic beverages** that go well with the food, Here, the *barbecue* is freshly **cooked** on an open flame. With fresh seafood, meat, as well as corn and potatoes, here they also South American cook, and you can enjoy here tasty American meals like Burger or Barbecue.
