What [Fredric Agnhammar](#) doesn't like about Tasty Phở:

2,5! Been to Vietnam many times. I know how it should be. I guess it's a bit fixed and adjusted to go easy with Americans. However... A really Nice guy serving. Food Too sweet for my taste. And rolls too much pepper in them. Pho a bit plain. Place is a bit on the dirty side. And oh, almost forgot. Got a healthy black hair in my noodle salad. But the nice guy took care of it. Didn't have to pay. In the kitchen of Tasty Phở in Pinellas Park, traditional menus are prepared with typical **Asian spices delicious**, In addition, many guests look forward to enjoying traditional Vietnamese dishes with the perfect hint of Southeast Asian flavor during a visit at the Tasty Phở. Look forward to the enjoyment of delicious [vegetarian](#) menus, Furthermore, the guests love the successful combination of different dishes with new and partially experimental ingredients - a good example of successful **Asian Fusion**.
