What [User](#) likes about Carlito's Bakery:

I've been ordering from Carlito's every year for the kid's birthday cakes and they're always perfect! I just picked up my granddaughter's unicorn cupcakes and they're beautiful! Very reasonably priced as well. The owner is friendly and easy to work with on cake ideas. I always recommend! [read more](#). What [User](#) doesn't like about Carlito's Bakery:

Two birthday cakes (chocolate and carrot) nothing special. The consistency was off and had a weird taste. Never went back. They wanted to charge hundreds so I declined to move forward with their business only for them to lower it and give me garbage. I was in shock since the single portion of chocolate cake tasted amazing. It was embarrassing to serve this cake to my guests. [read more](#).
