What **User** likes about Taiyo Ramen: Large portion size, flavorful broth, only real gripe was the appetizers were about the price, if not a few dollars less than main course items. Taiyaki was excellent, tantan ramen has excellent broth with a nice heat that gives a slow burn at the end. Eggs come standard with ramen orders. Clean environment. Will definitely return in the future. [read more](#). The premises on site are wheelchair accessible and can also be used with a wheelchair or physiological limitations. What **User** doesn't like about Taiyo Ramen: I was very disappointed in this place. I ordered for takeout and when I got home I opened my bowl and it was hardly filled halfway. I'm not asking for another egg or anything special in the bowl but at least add some extra noodles. I spent over \$15 on the bowl and was still hungry after. Not to mention my egg was overcooked and the bowl was very salty. [read more](#). The Taiyo Ramen originating from Thousand Oaks dishes out various **delicious seafood menus**.
