I ordered Goat Roti and it was amazing has lot of flavors and good quality big serving size and really fast delivery i definitely recommend it. I didn't had such good food in a long time Food: 5/5 [read more](#). What [User](#) doesn't like about Jamaican Flavors:

Overall I love the food but I gave 1 star for service and service in my opinion is very important. With that being said, it's this young light skinned female with glasses kinda tall that treated me with such bad customer service raised her voice very loud when i in fact was very polite when asked for one extra vegetable. I hope that she count her blessings and put her self in other people shoes ?? [read more](#). The fine and fresh [juices](#) listed on the drinks menu, perfectly complete the meals of the restaurant, For a snack, the delicious **sandwiches**, small salads and other snacks are suitable. You have a celebration and want to enjoy the food at home? With the in-house catering service, that's easily doable.
