You can also contact them through their website. What [User](#) likes about Coldfire Brewing Company:

Great place for a summer lunch beer. Tasty brews with a BBQ food truck on site. His BBQ is done right...no sauce! Sauce covers up the meat mistakes. We enjoyed the Cumulus and the Dubbel. [read more](#). What [Emily](#)

[LaMoreaux](#) doesn't like about Coldfire Brewing Company:

Hour and a half for a burger and a grilled cheese. Staff was short with us (excluding our waitress who was very kind) and didn't seem to appreciate us asking to modify our meals when ordering, even though it was for food allergy purposes. The food was bland and not worth the price. The **ONLY** exception was the food truck that serves doughnuts and fried chicken. [read more](#). At Coldfire Brewing Company in Eugene, **juicy grilled food is freshly roasted** on an open flame and garnished with fine sides, Naturally, you should also taste the **scrumptious burgers**, accompanied by sides like fries, salads, or wedges served.
