Love this place especially if you want a quick bite of some good flaky patties I like the chicken the most and they pastries are good as well. I get this cookie shaped like a bow. Had to leave them alone for awhile I was addicted lol. [read more](#). You can use the WLAN of the restaurant at no extra cost. What [User](#) doesn't like about La Baguette Shop:

Very nasty people every morning i try to buy something from them and every morning the lady on the register instead of actually doing her job moves slow as ever and holds conversations with people have already paid and gone. If you are gonna have a business by a bus stop at least move fast so people can get to where they have to be. Food is decent but do not waste your time they have no decent customer service.
