What [Andy](#) likes about Benihana:

Definitely on a higher price scale but you get an awesome environment with quality food. If you want the same food but less of a bill, then try crazy hibachi or kanpei. [read more](#). The comprehensive diversity of coffee and tea specialties makes a visit to Benihana even more worthwhile. Besides, the successful blend of different menus with new and sometimes adventurous ingredients is appreciated by the customers - a good case of Asian Fusion. **The preparation of the meals is done authentically Asian**, and you can look forward to the fine typical [seafood](#) cuisine.
