What [User](#) likes about Thai Spice: We were pretty skeptical when pulling into the parking space in front of Thai Spice. The bathroom could've been cleaner, but the restaurant itself seemed clean enough. Food was AMAZING! Way better experience than I expected based on the area of town it is located in. The staff were kind and helpful. [read more](#). What [nikki w](#) doesn't like about Thai Spice:

This place is very nice inside love the colors, elephants, and picture decoration. My to go order was placed quickly and I was provided a free drink while I waited. The food I order was drunken noodles but it didn't taste like I expected. No real flavor, no heat, no and no basil. Needles to say I won't be returning. The crab Rangoon was really good light, creamy, not greasy, and not too sweet. [read more](#). A visit to Thai Spice is particularly valuable due to the extensive diversity of *coffee and tea specialties*, Thai meals are prepared here with the popular spices and fish sauces.
