I was introduced to Baiti food through an event at my workplace. They only provide catering services. Their Mediterranean food is yummm! The falafels are moist and well cooked. Cheese and Thyme flatbread are soft and flavorful. Lot of finger food options are available. For mains, their dill Lima bean rice, Greek salad, hummus and tzatziki were really good! I'd definitely recommend catering from here for your event. [read more](#). The restaurant offers complimentary WLAN for its customers. What [Steven S](#) doesn't like about Baiti Food:

Stood at the counter for about 10 mins and was never addressed or asked if we need help. Some other people can up and we're helped but not once did they say anything. I don't recommend it to anyone. Rude people don't need your business. There are alot of other place with the same type of food that want your money and are nice about it. [read more](#).
